What is a good leader?

I think a good class leader, is able to lead the class and their classmates. Set an example to others, and help the students follow the rules of the school and study hard. Sometimes a leader has to make some decision for everyone and is not afraid of the difficulty and trouble. If there are contradictions between students, help them to mediate, so everyone can be harmonious.

What is

a

Leader

No one is born to be the leader.

- Leader needs to care for students and take care of everyone's emotions.
- Try to lead everyone, and sometimes make the monitor's choice, stop some behavior.
- Need to be tough sometimes and gentle at other times.

A class is like a family because everyone has a responsibility to protect everyone else, because a rising tide lifts every boat.
